

# music with monte MINISTRIES

Nearly ten years ago God called me to church ministry and began to mold me into a solo Christian Singer-Songwriter/Kids & Family musician. Since that call I have served at three different churches as Director of Christian Education, Youth Director and a combination of the two. During the first years of that call I wrote the song “Jump for Jesus” which has been the flagship of my Christian kid’s ministry and continues to get kids jumping everywhere that I go. Throughout this decade of parish ministry God continued to mold me, and my music ministry began to take flight. In 2009 Music with Monte Ministries presented 150 concerts in a total of 8 states, nearly double the number of concerts played in 2008.

God is working here; He has created me for this ministry and I am determined to follow His call. My family and I feel that God is calling us to something big! Really big! Huge! Maybe even gargantuan! He is calling us to “**Jump** for Jesus” in a whole new way. God is calling us to trust Him to provide for our family through the music ministry that He has molded me for.

As of January 1<sup>st</sup> 2010 I will be saying goodbye to congregational ministry and I will become a full time Christian musician. This feels like a really, really big **Jump** to my family and me. There is some fear as we prepare to **Jump**. But it is that fear that will continue to stretch and grow our faith and trust of our Heavenly Father.

We are determined to grab onto the vision that God has called us to for this ministry and to hold on...

*Sharing the Joy of Jesus Christ and encouraging families to become that hands and feet of God through action-packed music, smart acoustic worship rock, and engaging stories of faith.*

All of you have been a part of the growing of this ministry in some way. Some of you have watched it from its inception and others have just recently become aware of Music with Monte Ministries. We wanted to give all of you an opportunity to take this **Jump** of faith with us.

Check out where the ministry is now at [www.musicwithmonte.com](http://www.musicwithmonte.com)

Music with Monte Ministries will be the sole income for our family; this truly is a **Jump** into faith. We believe that at some point this ministry may be self supporting. But the fact is that it currently is not. And while I feel as though I should be able to do it myself sometimes, I also know that our Heavenly Father calls us to trust and fully rely on Him. So once again we invite you to join us as we **Jump!**

We anticipate the cost of this ministry to be approximately \$75,000 in 2010. This includes our daily life and current ministry expenses as well as the recording, replication and release of at least one new CD, production of merchandise to support that CD/s to help increase the impact of the ministry, and vehicle maintenance and/or replacement. We expect that \$55,000 of this will be covered by the private music lessons that I teach and the remuneration from the concerts that I play, and profit from merchandise sales.

The remaining \$20,000 is where we are inviting you to take this **Jump** with us.

We would like to give you an opportunity to be a part of this ministry that God has called us to.

There are three ways you can **Jump** in and help support Music with Monte ministry

1. Holding our ministry in prayer
2. Financial gifts (*please see that attached giving form*) Financial gifts of any size are greatly appreciated and will help to increase the impact of this ministry

Thank you again for being a part of Music with Monte Ministries and for prayerfully considering supporting this ministry in whatever way God is calling you to.

My family and I are going to do our best to live out Proverbs 5:3-6 "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight".

We are honored to have you joining us in the **Jump** and the journey.

Be Blessed,  
Monte Leister & Family
